Est- Fisheries - Refrigeration Engineer and Staff
- Continuance - Sanctioned

Department of Industries & Commerce.

...

From
Sri T.K.Palaniappan, M.A., I.A.S.,
Director of Industries & Commerce,
Chepauk, Madras-5.

To
The Secretary to Government,
Agriculture Department,
Fort St.George, Madras.

Ref.No.R.C.No.668 Z2/55 dated 26-1-55.

...

Sir,

Sub: Establishment - Fisheries Refrigeration Engineer and staff - Further continuance - Sanction - Requested -.

Ref: G.O.Ms.No.2593 Agriculture dated 11-8-1954 -.

...

In the Government Order cited above, sanction was accorded for the continuance of the Fisheries Refrigeration Engineer and his staff for a further period upto 28-2-55. The erection of the Ice plant and cold storage at West Hill has been completed and the plant after testing, has been put into trial production from 15-10-54. The plant is now working satisfactorily The erection of the Ice plant and cold storage at Mangalore has also been completed and the plant is now tested part by part pending provision of permanent electric supply and water supply. These items have to be got executed by the Public Works Department.

The two ice plants will be leased out shortly as per G.O.Ms.No.3712 Agriculture dated 31-12-54. Even after the plants are leased out the services of the Fisheries Refrigeration Engineer will be required to inspect the plants periodically and ensure proper maintenance. The services of the Fisheries Refrigeration Engineer and his staff will be required to erect the two ice plants gifted under T.C.A. one at Mettur Dam and the other at Tuticorin. Hence I request that sanction may be accorded for the continuance of the following posts for a further period of one year from 1-3-55 to 28-2-1956.

1.One Refrigeration Engineer on Rs.230-500 p.m.
2.One Lower Division Clerk. on Rs.45-90 p.m.
3.Two peons on Rs.18-25 p.m. each.
4.Four mechanics. on Rs.40-80 p.m. each.

The expenditure is debitable to "40-Agriculture - O.Development Schemes - (1) Schemes included in the Five Year Plan - G.Fisheries - II.Installation of ice making plant for improving cold storage of fish". I request for early orders in the matter.

No. Rc. 668/Z2/55, dated 21st March, 1955.

Sir,

Sub: Establishment - Fisheries Refrigeration Engineer and Staff - Continuance - Sanctioned -

Ref: G.O.Ms.No.408 Agriculture dated 14-2-1955.

The erection of the Ice plant and cold store at West Hill has been completed and the plant has been put into trial production from 15-10-1954. The erection of the Ice plant and cold store at Mangalore has been completed; but still certain works in its last stages have to be completed before it could be put into trial run. Three mechanics are working at West Hill attending to the trial run of the plant and one mechanic and one peon are attending to the work at Mangalore. The Lower Division Clerk is working at West Hill from the time of the trial production run of the plant attending to the accounts of sales of ice and office correspondence.

The West Hill plant will be handed over to the lessee on receipt of Government orders accepting the tenders. No tenders have been received for the Mangalore plant and it has to be worked departmentally for some time before it is leased out. The staff now engaged in the ~~trail~~ working of the plant at West Hill will be absorbed for the working of the plant at Mangalore. Hence the staff sanctioned in the G.O. cited are having adequate amount of work.

- - -

The ~~contain~~ erection work of ice plant and cold store at West Hill has been completed and the offer made for taking the plant on lease has been accepted. The lessee has not yet taken cnarge of the plant. The plant is kept working at present for the manufacture of ice. This is necessary because in a refrigeration plant the depreciation will be greater if it is kept idle. To put the plant on commission the staff are quite necessary. Except for the final items of work such as distempering, white washing etc. of the Mangalore plant all items of work connected with the errection of the plant and housing it are almost complete. I have submitted proposals to Government to run the plant at Mangalore on trial production for a period of three months from commencement. To conduct this trial run and till the plant is leased out the staff sanctioned in G.O Ms. No.408 Agriculture department, dt. 14.2.55 are quite essential. The Lower division clerk is assisting the Refrigeration Engineer is keeping stores, attending to correspondence and other items of office work. In the circumstances explained above, I request that sanction may be accorded to continue the staff already sanctioned till 1.3.56.

In the letter cited the Dte have stated that the have submitted proposals to the Govt for the trial run of the ice plant and Cold Storage at Mangalore and that therefore the Continuance of the Refrigeration Engineer and the other staff, sanctioned in G.O. 408 Agri dt 14.2.55 will be necessary upto 1.3.56. The Attention of the Dte is invited to Govt no 1380 Agri dt 20.5.55 in which the Govt have sanctioned the trial run of the plant at Mangalore for a period of one month only in the first instance. In the circumstances the Dte is requested to state whether it will not be sufficient to continue the staff referred to above only upto the period for which trial run of the plant is sanctioned further. ~~Continuance considered necessary~~

DEPARTMENT OF INDUSTRIES AND COMMERCE.

From
Sri T.K. Palaniappan, I.A.S.,
Director of Industries and
Commerce, Chepauk, Madras.5.

To
The Secretary to Government,
Agriculture Department,
Fort St. George, Madras.9.

R.c. No.668-X1/55-5 dt. 5.6.55.

Sir,

Sub: Establishment--Fisheries Refrigeration Engineer and staff--Continuance--Regarding.

Ref: Government Agriculture Memo. No.24124-C.II/55-4 dated 28.5.55.

...

Of the two plants put up at Mangalore and West Hill ~~duly~~ only the one at West Hill has been given on lease to the Bombay Ammoni and Refrigeration Company Limited, Bombay for a period of three years. The lease is to take effect from 1.7.1955. The other plant has to be worked departmentally till it is handed over to private individuals. The Fisheries Refrigeration Engineer has to work this plant and also to inspect the West Hill plant during the tenure of the lease to see that the plant is maintained properly. He has also to check the log books, ledger, account books etc. and also to supervise the working of the plant by the lessee as per the terms and conditions of the lease agreement. Government have already sanctioned the trial production run of the plant at Mangalore for a period of one month from the date of commencement. As monsoon has set in the West Coast the trial production can start only from the middle of September 1955 Fresh Tenders have to be called for for the lease of the plant at Mangalore and the plant will have to be worked till it is handed over to the lessee. The experience of working the plant at West Hill shows that the Mangalore plant can be worked without any loss to Government. In the circumstances I submit that the continuance of the post of Fisheries Refrigeration Engineer, and the staff sanctioned in G.O. Ms. No.408, Agriculture dated 14.2.55 upto 29.2.56 is necessary. I, therefore, request that sanction may kindly be accorded to continue the staff till 29.2.56.

Ref:- From the Dte Lr No 668 X2 55 dt - 21.3.55

Memo No 24124 CII/55. 2 dt - 18. 4. 55

From the Dte Lr No 668 X1/55 - 4 dt - 13.5.55

To A.S

To Go No 405 Agri dt - 14.2.56, the Govt sanctioned the Continuance of the Refrigeration Engineer and Staff employed in connection with the erection of the ice plants and Cold storages (for a further period upto 29.2.56) at Westhill and Mangalore. The Govt also called for a report on the items of work attended to by the above staff, as the erecting work of both the plants had been completed. The report submitted by the Dte will be found at p. 1/n. Since the erecting work of the plant at Mangalore had also been completed the Finance Dept suggested that the Director may be asked to disband the above staff immediately. The above suggestion was sent to the Dte for remarks. The Director has now reported that he had submitted proposals for the trial run of the Mangalore plant and therefore the Continuance of the above staff is necessary till 29.2.56 as already sanctioned. For this connection

2/...

Appendix II

It is submitted that sanction for the trial run of the Mangalore plant has been restricted to a period of one month only from the date of commencement only. In view of that the Director on spot (to state) Cooled Wheeling it will not be sufficient to continue the above staff only upto the period for which the trial run of the plant is sanctioned, at present and for such further period as the trial run may be extended if found necessary, and discharged thereafter. A draft memo is submitted for Approval.

Para 1 on page (10) as against 3 months proposed by the Dte

28/3/57

28/3/57

(Passed as Memo No 24124 CII) dt 28.3.57 to Dte) pp 7-8 ng

(Passed the Dte's no 668 x 1/55-5 dt 5.4.57) pp 2 ng

To A.S:

The file deals with the question of Continuance of the Refrigeration Engineer and Staff in view of the leaving out of the Westfield Icepplant and the Completion of the Erection work of the Mangalore plant.

Attention is invited to the Memo on pp 7-8 of and the letter from the Dte at p. 9 of. As the circumstances stated by the Dte in his letter on p 9 of it seems that the Continuance of the

Refrigeration Engineer and Staff is necessary and therefore they may continue till 29.2.56 para 1 onp 3 of (N) as already ordered.

The file may now be sent to Finance Dept with reference to their notes at p. 27.
